

## Two Weeks Notice

Fantasia

The love that me and you shared expired  
So there will be no renewing our contracts  
And I ain't got nothing since I've been hired  
So I can't take you back  
I done gave love and got no commission  
So give me one reason why I should stay here  
I thought compared to all the other guys you were different  
But I cried the same old tears  
I can't take it, I can't do it no

This is my two week notice  
I resign my position because  
You ain't treating me right  
I been working on the job  
Just busting my ass  
Pleasing you everyday and night  
I get no raises or no benefits  
You stay with this establishment  
I'm gone, this is my two week notice

I'll be a fool if I took you back boy  
Even though I love you I can't be that dumb  
Cause I can do bad all by myself  
I don't need no help  
The days over and done  
Its just a matter of if I leave you now  
Maybe you will recognize the good you have  
Ain't it a shame that you took advantage of me  
And you should not be mad  
I don't want the job no more  
See you hurting me

Packing up (and I walking out)  
Ain't no stressing you (cause its over)  
Must be Gone (as we finished)  
Because I did my best (now its ended)
