

The Duffler

Fantastic Negrito

I don't got no money
I don't got nobody
I ain't got no place to live no more
'Cause she took everything

Welcome to my life
(La, la la la, la, la la la, la la la, la la la)
(La, la la la, la, la la la, la la la, la la la)
Welcome to my life
(La, la la la, la, la la la, la la la, la la la)
(La, la la la, la, la la la, la la la, la la la)

My friends tried to tell me
But now I am so so sorry
And I blame all those things that are wrong with my life
On a conspiracy

Welcome to my life
(La, la la la, la, la la la, la la la, la la la)
(La, la la la, la, la la la, la la la, la la la)
I said I wanna welcome you into my life
(La, la la la, la, la la la, la la la, la la la)
(La, la la la, la, la la la, la la la, la la la)

I wanna come back home
It's so sad to be alone
Can I come back home?
Ohh, I wanna come back home
It's so sad to be alone
I won't do it again, and again and again

Oooh, come on
I'm gonna do it tomorrow
I'ma pay up
I'ma do it tomorrow, yeah
Well, tomo-mo-mo-mo-mo-mo-mo-morrow
(La, la la la, la, la la la, la la la, la la la)
(La, la la la, la, la la la, la la la, la la la)
Take a piece of my life
(La, la la la, la, la la la, la la la, la la la)
(La, la la la, la, la la la, la la la, la la la)
Ooh, weclome to my life
(La, la la la, la, la la la, la la la, la la la)
(La, la la la, la, la la la, la la la)
