

Exothermic

Faouzia

Dancing around in the rain again
Cause you said that I was my only friend
Playing with the flowers that I picked myself
Because I know they won't come from anybody else
Wrap myself up to warm my hands
From the biting ice that you made them stand
Traced my footsteps in the water
Cause you said when you left I'd be lost forever
And ever
Whatever

I'm still moving cities
And I'm still causin' storms
I don't know if you know this
But when I shoot I score
Took this pain inside of me
Turned it into gold
I made this exothermic
Now watch my heart explode

Dancing around in the dark again
But I'm happier now than I ever was then
Feel my heart as it dissipates
Making room for another in these better days
Days, days

I'm still moving cities
And I'm still causin' storms
I don't know if you know this
But when I shoot I score
Took this pain inside of me
Turned it into gold
I made this exothermic
Now watch my heart explode

Now I'm exo oh oh
Now I'm exothermic
Watch me exo oh oh oh
Watch me exo burn this
I deserve this
Oh oh oh
Now I'm exothermic
Oh watch me exo oh oh oh
Watch me exo burn this
I deserve it
Oh oh
I deserve this
I deserve it all
I deserve this
Woah oh oh

I'm still moving cities
And I'm still causin' storms
I don't know if you know this
I don't know if you noticed
When I shoot I score
Turned it into gold

I made this exothermic
Now watch my heart explode

Now I'm exothermic
Oh watch me exo oh oh oh
Watch me exo burn this
I deserve it
Oh I'm exothermic
Oh watch me exo oh oh oh
Watch me exo burn this
I deserve it all
