

RIP, Love

Faouzia

Oh no, think I did it again
And it kills me to see you like this, like this
Should've known from the moment we met
I'd rip your heart right outta your chest

Swore I learned from the last time
Dressed in black I guess I lied
Warned you, God knows that I tried
I told you, I told you

Man down, man down
Oh, another one down for me
Said you'd die for love
But I never loved you, sorry
So long, you're gone
It hurts to see
Said you'd die for us
So now RIP, love...

When I lay in my bed at night
I remember the way that you cried
But I can't go back
No, I know it's too late
And it haunts me everyday

Swore I learned from the last time
Dressed in black I guess I lied
Warned you, God knows that I tried
I told you, I told you

Man down, man down
Oh, another one down for me
Said you'd die for love
But I never loved you, sorry
So long, you're gone
It hurts to see
Said you'd die for us
So now RIP, love...
