

# WEIRDO

Faouzia

Holding on to my pillow tonight  
It don't deserve to feel lonely like I do  
In my mirror my colours are bright  
But when you see  
My body is see-through

Weirdo, oh oh ah  
Weirdo, oh oh ah  
Weirdo, oh oh oh  
Weirdo, how could you love me now?

Sometimes I wish our puzzle aligned  
Sometimes I wish I could peel off my skin  
Why!  
Why'd you have to think of me as divine  
Now every breath that I take is a sin  
Every breath is a sin  
Why do I let you in?

Weirdo, oh oh ah  
Weirdo, oh oh ah  
Weirdo, oh oh oh  
Weirdo, how could you love me now?

Weirdo, oh oh ah  
Weirdo, oh oh ah  
Weirdo, oh oh oh  
Weirdo, how could you love me now?

Weirdo  
Weirdo  
Weirdo  
Weirdo

Weirdo, oh oh ah  
Weirdo, oh oh ah  
Weirdo, oh oh oh  
Weirdo, how could you love me now
