"Torn Asunder"

Far Too Jones

Album: Picture Postcard Walls

I don't want to talk about yesteday
I don't always know what I'm supposed to say to you
We talk about it all the time
But we never say anything

And I'm just trying to help me understand
I'm just trying to give you all I can
Now when I see you, you're leaving again
Please don't you tell me where you go

Chorus:

And I'm crawling out from under
All that I've torn asunder
Everything about me is wrong
I know I'm still the same, God knows I'll never change
All I want is you to want me again

All the poets tell me I've been the fool
But they just don't know you the way I do
Now in the end you will come to find
Nobody's gonna hurt you like I do

[Chorus]

And I'm crawling out from under
All that I've torn asunder
Everything about me is wrong, and it's all gone wrong and I
I know I'm still the same, God knows I'll never change
All I want is you to want me again

And it's you, it's you, I want you
