Redman, boy, this is hiphop
I stay fresh like the weed in your ziplock
I wear jordans, never wear flip flops
Hoodies, jeans and Adidas on the wrist watch
Discjock, you can bring it back one time
I knock your ass out if you want a punchline
I don't wait for food, I go and hunt mine
I'm a real nigga and you're a little sometimes
Ladies, if you drunk, put your hands up
You're drunk driving, I'm throwing you in hand cuffs
I'm a boss like Meek and 20 hands up
Break me off and then smile for the camera
Red gonna stay a wild boy
I think your breath need an Altoid
Wave my gun like a cowboy
It's redman and so far I hope you enjoy

I'm good, I'm high
Going ready, I could rock it all night
Got women, got weed, got blunts
Now y'all live it up like this (like this, like this, like this)

Ich hab den Scheiß, den du liebst. Geh zur Seite, du Freak
Es geht klick, es macht klack, aber keiner hier schießt
Ich bin hier, ich bin da, um an Geld zu komm'
Ich bin zu maskulin für Fans von Elton John
Der Nummer 1 Wichser, ich schlage zu
Du willst krieg, ich bin hier. Worauf wartest du?
Ich fick dich, ich fick ihn, ich fick Alibaba
Bin der König der Straße - Ferrarifahrer
Also wer oder was ist gefährlich und krass
Und der Beat mach ihn laut, gib dir mehr von dem Bass
Ich geb deutschem Rap D-Doggystyle
Uppercut an dein King R-Rocky 3
Neuzeit Bandit aus Deutschland, ich schieß
Jedem meiner Feinde und dem Teufel in's Knie
F zum Nazizi, das Böse macht Nachtschicht
Du bist nur Statist, wenn der König zu Gast ist

I'm good, I'm high
Going ready, I could rock it all night
Got women, got weed, got blunts
