

Dance Her By Me (one More Time)

Faron Young

Dance her by me one more time the girl you're with used to be mine
I'll try to smile when you'll dance by I don't want her see me cry
In the heart that you might know lives a mem'ry of long ago
So for a fool that was so blind please dance her by me one more time
Until she's gone I never knew how to cry oh I was so wrong to ever say goodbye
Though I lost the one you love she's still a girl I dream of
So for a fool that was so blind please dance her by me one more time
(Dance her by me one more time)
