

Happy Birthday Jesus

Faron Young

Happy Birthday Jesus we all love you so
We show love and thought for you with shinny things that glow
We don't have no gold frankincense or myrrh
All we have is lots of love to show we're thankful for your birth

We're gonna ring the golden bells early Christmas morn
And sing up to the heavens on the day the King was born
We give to friends and loved ones 'cause everybody knows
Lovely gifts were give to Jesus from the wise men long ago

Everybody stand and sing Happy Birthday
Sing it loud and let the angels hear it too
Bring the cake make a wish and light the candles
Sing the song Happy Birthday to you
