Honky Tonk Song

Faron Young

Well I got me a room in a cheap hotel my head was a spinning an d I didn't feel well I laid right down tried to go to sleep but the band was playing in the joint underneath I picked up my pillow when I covered up my head But the band kept a playing and a shaking my bed Honky tonk all night long honky tonk same old song Honky tonk my money's all gone honky tonk she done me wrong I turned and I tossed but I couldn't go to sleep Cause the band kept a playing with a honky tonk beat Well I'm so blue my baby's gone she took all my money and left me all alone I'm tryin' to forget her but I don't know what to do The honky tonk song keeps a leaking through I picked up my pillow and I covered up my head But the band kept a playing and a shaking my bed Honky tonk all night long ...
