

# I Can't Dance

Faron Young

Well I went to a hop the other night  
The joint was a-jumpin' everything was right  
The cats were doin' the bop the chicken too  
But I sat alone at a table for two

Cause I can't dance no no I can't dance no no  
Can't get in the groove cause my feet won't move  
And I can't dance no no and I can't dance no no

Well I went to Arthur Murray's and I spent my dough  
I soon found out I was a fool to go  
They showed me a waltz two-step too  
I kept a-trippin' over my blue suede shoes

Cause I can't dance no no I can't dance no no  
Can't get in the groove cause my feet won't move  
And I can't dance no no and I can't dance no no

Well I saw a pretty gal and I got a chance  
I asked her if she'd show me how to dance  
She said uh-uh I can't go  
She said baby there's something you should know

She said I can't dance no no I can't dance no no  
Can't get in the groove cause her feet won't move  
And she can't dance no no and she can't dance no no

So I jumped into my automobile  
Scooted myself right under the wheel  
I said pretty baby we might as well go  
If we can't dance we'll take in a show

Cause we can't dance no no we can't dance no no  
Can't get in the groove cause our feet won't move  
And we can't dance no no and we can't dance no no

I can't dance I can't dance I can't dance
