

# I Just Don't Know How To Say No

Faron Young

Please don't accuse me and don't judge me wrong  
If sometimes I should forget to come home  
Forgive me don't give me a hard way to go I just don't know how  
to say no  
Don't be surprised if you hear from a friend that I'm out with  
someone cheat again

Don't leave me believe me cause I need you so I just don't know  
how to say no  
A little persuasion can make me run wild each time it starts wi  
th an innocent smile  
I know that you know that what I say is true  
But don't let it matter of come back to you

Don't hurt me don't hurt me and don't let me go I just don't kn  
ow how to say no  
I just don't know how to say no
