

# If We Make It Through December

Faron Young

If we make it through December  
Everything's gonna be all right, I know  
It's the coldest time of Winter  
And I shiver when I see the fallin' snow  
If we make it through December  
God plans to be in a warmer town come summertime  
Maybe even California  
If we make it through December, we'll be fine

God laid off down at the factory  
And their timin's not the greatest in the world  
Heaven knows that I been workin' hard  
Wanted Christmas to be right for daddy's girl  
I don't mean to hate December  
It's meant to be the happy time of year  
And my little girl don't understand  
Why daddy can't afford no Christmas cheer

If we make it through December  
Everything's gonna be all right, I know  
It's the coldest time of Winter  
And I shiver when I see the fallin' snow  
If we make it through December  
God plans to be in a warmer town come summertime  
Maybe even California  
If we make it through December, we'll be fine
