

## Introductory Speech

**Faron Young**

I guess everyone has their favorite singer, their favorite entertainer. Mine was Gentleman Jim Reeves

Now I only know he was the great person, the great artist and the great singer. He was my friend

I feel that these next songs that you'll hear in this album are the greatest that Jim Reeves ever sang

I hope that you will accept my humble way of presenting them to you

Jim was my friend he sang from the heart

I'll try to do the best I can...
