

# Pee Wee Valley

Faron Young

In Pee Wee Valley in Pee Wee Valley  
There's a little bitty girl in a little bitty house  
A great big love that's what I'm singing about  
In Pee Wee Valley in Pee Wee Valley

I stumbled into a little bitty world  
After my big world shattered  
Until I met this little bitty girl  
Nothin' else seemed to matter

There's a little bitty girl in a little bitty house  
With a great big love that's what I'm singing about  
In Pee Wee Valley in Pee Wee Valley

I was a little bitty man just nothin' at all  
But I've grown since I moved to the valley  
Now she thinks I'm ten feet tall  
The giant of Pee Wee Valley

There's a little bitty girl in a little bitty house  
With a great big love that's what I'm singing about  
In Pee Wee Valley in Pee Wee Valley  
In Pee Wee Valley in Pee Wee Valley...
