

You Don't Know Me

Faron Young

(You don't know me)

You give your hand to me and then you say hello

And I can hardly speak my heart is beating so

And anyone can tell you think you know me well but you don't know me

(You don't know me)

No you don't know the one who dreams of you at night

And longs to kiss your lips and longs to hold you tight

To you I'm just a friend that's all I've ever been but you don't know me

For I never knew the art of making love though my heart aches with love for you

Afraid and shy I let my chance go by the chance that you might have loved me too

You give your hand to me and then you say goodbye

I watch you walk away beside the lucky guy

You'll never never know the one who loves you so no you don't know me
