Lara Mercy
Wanna fuck me
Farru
Wanna (Wanna)
Wanna fuck me
What's up?

Se desnuda y me modela las Yeezy
Tengo que decirle a veces "Take it easy"
Siempre quiero darte, pero hay día' que estoy busy
Conmigo se juqueó desde que lo probó

Yo me la comí
Me tiró y me dijo que se metió un Omi
Que está bellaca y que yo la pongo bien horny
She wanna fuck me
(Farru)

All she wanna do is please me
Sometimes I gotta tell her "Take it easy"
Every day, she tell me that she needs me
Say she's in love, I know this ain't love

Every day say love, wanna fuck me
Even though I know she got another
Say she'll do anything just to touch me
Say she's in love, I know this ain't love

Baby, this ain't love, wanna fuck me (Wanna fuck me)
Wanna, wanna, wanna fuck me
Baby, this ain't love, wanna fuck me (Wanna fuck me)
Wanna, wanna, wanna, wanna, wanna fuck me

(Farru)

E' adicta a mi bicho
Y a que la castigue
Me dice "Papi, sigue"
No le quiere bajar (No le quiere bajar)

Es una bellaca, una abusadora
Quiere que chinguemos y lo pide ahora
'Ta prendía en fuego y no se controla
Yo soy el que le martilla esa popola

Girl, keep it real
You say you love me 'cause of how I make you feel
Got the kind of love to make you go insane
Since the first time, you ain't been the same, girl

'Cause I'm the only one who can give you love
So good, it make the neighbors hear you
Every time you jump on it
Every time you jump up on it

I'm like a target she need at least wanted
She call me late at night and say she want it

She want me, that's exactly what she gon' get
(We fuckin' till the morning)

Se desnuda y me modela las Yeezy
Tengo que decirle a veces "Take it easy"
Siempre quiero darte, pero hay día' que estoy busy
Conmigo se juqueó desde que lo probó

Yo me la comí
Me tiró y me dijo que se metió un Omi
Que está bellaca y que yo la pongo bien horny
She wanna fuck me
(Farru)

All she wanna do is please me
Sometimes I gotta tell her "Take it easy"
Every day, she tell me that she needs me (She needs me)
(Need me)

All she wanna do is please me
Gotta tell her "Take it easy"
Every day, she tell me that she needs me

All she wanna do is please me
Sometimes I gotta tell her "Take it easy"
Every day, you tell me that you need me
Need me

All she wanna do
