

## Macaroni (Freestyle)

Fase Yoda

Oh, huh

Pull up in the Coupe suicidal  
The vibes real good, can we fuck right now?  
Do it bad-bad, make it homicidal  
Shawty, come and stand for the night right now  
'Cause I'm limited edition, I'm stackin' all these riches  
I got bitches, I got the chicken, I'm feelin' it's a wishin'  
I'ma live it, I got ambition, I finish all the mission  
Fuck a mission, put in position, I'm killin' opposition, yeah  
Huh, baby, I'll be pourin' this Codeine  
Double my cup I hope I don't OD  
Gotta hundreds of betters and they all know me  
When I fuck her she wetter than macaroni  
Mmm

Oh-yah  
Oh-yah, oh-yah  
Oh-yah  
Mmm, oh-yah  
Mmm
