Time Of My Life

Fase Yoda

Shawty wanna fuck me up
Shawty wanna take my life
Got a big bag, you know
It can make it right
Baby, I'm awesome for tonight, we ballin' 'til sunrise
Baby, don't hypnotize
I can't tell no lies
Hmm fine, I'm livin' the time of my life (See that)
When the demons come at night and take your life
Get a band on top, I beat it, yeah (Yea)
Fuck a rockstar, nigga, I'm litty, yeah (Let's go)

Gang in night, you can't hang with mines, huh
We send fifty shots, it's gon' take a life, huh
Smoke that bitch I'ma put that nigga in a big backwood
Pull up in a black Maybach, swervin' in a bitch, no jug
I might pop that pill, huh, 'cause I need it
I'm on go, no chill, 'cause I'm conceding
Ain't nowhere to hide, got the people watchin' me
Just look me in my eyes, can't put that L on me

Shawty wanna fuck me up
Shawty wanna take my life
Got a big bag, you know
It can make it right
Baby, I'm awesome for tonight, we ballin' 'til sunrise
