

# Redeemed

Fastball

If you can't redeem  
Redeem yourself  
Then you can't redeem  
Nobody else

I'm not the one you should be worried about  
Keep your own house clean  
Redeem  
Redeem yourself

You say that you've been saved  
Good for you  
Now that you've been saved  
You wanna save me too

I'm not the one you should be worried about  
Keep your own house clean  
Redeem  
Redeem yourself

Judge not lest you be judged  
Judge not lest you be judged  
Judge not lest you be judged  
Judge not

I'm not the one you should be worried about  
Keep your own house clean  
Redeem  
Redeem yourself  
Redeem  
Redeem yourself
