

## Sooner or Later

Fastball

I'm gonna get under your skin  
Sooner or later  
I'll find the key that lets me in  
Sooner or later  
Yea 'cause you just can't keep me down  
Yea 'cause you just can't keep me down

I'm gonna take my time all right  
Sonner or later  
You gonna let me treat you right  
Sooner or later  
Yea 'cause you just can't keep me down  
Oh if you'd only give me  
Time  
Is really all that I need  
To push it through  
To make you see  
I'll make you see  
I'm gonna take my time all right  
Sooner or later  
You gonna let me treat you righ  
Yea 'cause you just can't keep me down  
Yea 'cause you just can't keep me down

Time  
Is really all that I need  
To push it through  
To make you see  
I'll make you see

Sooner or later ...
