Fastball

Soundtrack
Take me back
Sitting in a Grand Prix Pontiac
8 track
Click Clack
Cruising up and down the strip with a six pack
It's a dream
Only a dream

In bloom
Bedroom
Candy O in my headphones
Dead end
Pretend
I was playing the Enormodome
It's a dream
Only a dream

And they played that song
All summer long
And the movies in my mind
Are running all the time

Small town summer, you can't bring it back
It's a dream
Only a dream

And they played that song
All summer long
And the movies in my mind
Are running all the time
