

Back Door Man

Fastway

Back door man
I'm gunnin' for you, honey
Back door man
I'm gunnin' for you
Back door man
I'm gunnin' for your money
Back door man
I'm gunnin' for you
Yeah, you!
What you see is what you get
Don't worry, babe, it's one of those things
Heaven knows you got it good
Your daddy's rich
And have I got somethin' for you
Lucky lady, my little Sadie
She's got it fine, livin' in the high life
I can take you where you've never been
Once you do what I've been wantin' to do
Back door man
I'm gunnin' for you, honey
Back door man
I'm gunnin' for you
Back door man
I'm gunnin' for your money
Back door man
I'm gunnin' for you, ha!
I say, come on down, the price is right
Dirty dealings is my kind of life
I can show you love, that ain't no lie
I'll give you something you can't deny
Making the best of the situation
Temptation
You're playing with fire
To beat this frustration, temptation
Oh, yeah!
Yeah, yeah, yeah!
What you see is what you get
Don't worry, babe, it's one of those things
Heaven knows you got it good
Your daddy's rich

And have I got something for you
