

# Give It All You Got

Fastway

Don't you ever do it  
Don't you tell me no lies  
Lovin' that woman till the day I die  
Reachin' for the top  
Ain't gonna fall  
Buy me some booze and a big fancy car  
That's right  
Hold on tight  
'Cause I don't want to leave you behind

Give it all you got  
I've got something  
Give it all you got  
It's not enough now  
Give it all you got  
I've got something  
Give it all you got

Dancin' with my girl but she could have seen you  
Don't say I told you  
I told you it's true  
Now you're on your own  
Feeling the strain  
Crying won't help, ever, ever again  
So sad, ain't it true  
Now that you, you've got nothing left to lose

Give it all you got  
I've got something  
Give it all you got  
It's not enough now  
Give it all you got  
I've got something  
Give it all you got

Did you ever feel like a stranger or a shadow  
Through a glass window  
Wondering why there's so many answers to questions  
Never been asked

Don't you ever do it  
Don't you tell me no lies  
Lovin' that woman till the day I die  
Reachin' for the top  
Ain't gonna fall  
Buy me some booze and a big fancy car  
That's right  
Hold on tight  
'Cause I don't want to leave you behind

Give it all you got  
I've got something  
Give it all you got  
It's not enough now  
Give it all you got  
I've got something  
Give it all you got
