

ROCK ON

Fastway

What do you want - what do you want from us?
Flaming fire or a little rush?
I can give you so much more
A fantasy and you can do it all
Take a ticket, rock it to the moon
One day its all going to be this cool
This is what we're going to do
(Rock on, rock on)
We're going to rock rock until we drop
(Rock on, rock on)
Gonna rock rock, can't get enough
(Rock on, rock on)
Going to take you high, going to drive you wild
(Rock on, rock on)
Going to rock with a bop to the USA - cause we're crazy
Stand in line, going to take my chance
I'm a [?] with no demands
Somethings on - its a mystery
Everyone wants to be set free
Take a ticket, rock it to the moon
One day its all going to be this cool
This is what we're going to do
(Rock on, rock on)
We're going to rock rock until we drop
(Rock on, rock on)
Gonna rock rock, can't get enough

(Rock on, rock on)
Going to take you high, going to drive you wild
(Rock on, rock on)
Going to rock with a bop to the USA - cause we're crazy
I want you, you want
I want you to rock on
Oh!
Churn you from inside
I want you to rock on
Rock on
Rock on
Rock on! Yeah!
(Rock on, rock on)
We're going to rock rock until we drop
(Rock on, rock on)
Gonna rock rock, can't get enough
(Rock on, rock on)
Going to take you high, going to drive you wild
(Rock on, rock on)
(Rock on, rock on)
We're going to rock rock until we drop
(Rock on, rock on)
Gonna rock rock, can't get enough
(Rock on, rock on)
Going to take you high, going to drive you wild
(Rock on, rock on)
Going to rock with a bop to the USA
Going to rock with a bop to the USA
Going to rock with a bop to the USA - cause we're crazy
