

Tired of your Love

Fastway

Lonely nights
Lonely days I've been learning
To despise
My whole world you created
Pack your bags and leave
Don't ask me for directions
I've taken my time
I've made up my mind
I've gotta get away
I say I'm tired of your love
I'm tired of your love
I'm tired of your love
Tired of your love
Something cruel
You had me really believing
Loving you
Was the end of my searching
Saving all your lies
Your jealous accusations
So don't you try to disguise
The heartbreak and the pain
I say I'm tired of your love
I'm tired of your love
I'm tired of your love
Tired of your love
Don't ask me questions
I can't reply
I've only got myself to blame
For loving all your lies
Lonely nights
Lonely days never ending
Every time
Restless hearts never mending
Pack your bags and leave
Don't ask me for directions

I've taken my time
I've made up my mind
I've gotta get away
I say I'm tired of your love
I'm tired of your love
I'm tired of your love
Tired of your love
Tired of your love
I'm tired of your love
I'm tired of your love
I'm tired of your love
Tired of your love
I'm tired of your love
I'm tired of your love
I'm tired of your love
Tired of your love
I'm tired of your love
I'm tired of your love
I'm tired of your love
Tired of your love
I'm tired of your love
I'm tired of your love
I'm tired of your love
Tired of your love
I'm tired of your love

I'm tired of your love
I'm tired of your love
Tired of your love
I'm tired of your love
I'm tired of your love
I'm tired of your love
Tired of your love
I'm so tired
I'm so tired of your love
I'm so tired
I'm so tired of your love
