

The Fat Boys Are Back

Fat Boys

All you can eat!
All you can eat!

\$3.99 for all you can eat?
Well, I'm a stuff my face to a funky beat!

We're gonna walk inside, and guess what's up:
Put some food in my plate, and some Coke in my cup

Give me some chicken, franks, and fries
And you can pass me a lettuce. I'm a pass it by

So keep shoveling, (Ha!) onto my plate
Give me some sweets and lots of cake

Give me some hot Macaroni and Cheese!

Give me, some more food PLEASE!

Give me some buloni, salami, and ham
Toast with butter and strawberry jam

I love it whether the food is cold or hot
Put a burger on the plate, and it'll hit the spot

We'll eat everything. An incredible feat
\$3.99 for all you can eat!

All you can eat!
All you can eat!
All you can eat!
All you can eat!
