

Pull The Catch

Fat Freddy's Drop

Ready? Come, pull the catch as one, pull the catch as one
Ready? Yeah, food for everyone
Pull the catch as one, pull this catch together

There is nothing that I would not do to protect my family
This blood is thick, it sticks like glue, yes, but through the veins it flows with ease
Now I could never ask for help but so many times I tried
But we learn to forgive ourselves, now I...

Ready? Come, pull the catch as one, pull the catch as one
Ready? Yeah, food for everyone
Pull the catch as one, pull this catch together

Come pull this catch together
Come pull this catch

Da da dim, dim, dim, dim
Da da dim, dim, dim, dim
Da da dim, dim, dim, dim
Da da dim, dim, dim, dim

Come pull this catch together

Now bless thee, the fishermen, to work upon the seas
These days we'll live on foreign land, yes, for with dishonesties,
Now some men buy and sell their lives away, or use them to abuse
Some they stand alone too proud to hear the call for their own
Ready? Come, pull the catch as one, pull the catch as one
Ready? Yeah, food for everyone
Pull the catch as one

Pull the catch as one, pull the catch as one
Ready? Yeah, food for everyone
Pull the catch as one
