Fat Freddy's Drop

Wake up in the morning  
Open up my eyes  
First thing I do  
I turn the radio on and then get ready  
(I'm getting ready)  
Muesli and orange juice and I'm ready  
(I'm getting ready)  
Fresh start in the morning  
Yes I'm ready  
Drop my baby off to work  
Then head back round the road and then get ready  
(I'm getting ready)  
For a cruise around the bays  
I keep it steady  
(I'm getting ready)  
For a fresh start in the morning

Oh I love [?] to me  
Wanna run around the bay with you

Just cruising [?]  
Watching the cars go by

Turn it up, turn it up, turn it up  
Give thanks for the good in my life  
Turn it up, turn it up, turn it up  
Give thanks for the good in my life

Oh I need [?]  
The [?]  
But she keeps moving as long as I can keep my foot down  
Keep it on [?]  
I wanna keep it on that [?]  
I wanna keep it [?]  
I wanna keep it on that  
I wanna keep it all night  
I wanna keep it on that
