Blam!
Bang bang baby!
Yeah, Terror Squad style
Trizzie, check it out now

Yo, I'm rated X in sex, I flex like Lex Lugor So who's next to get scooped up by this roughneck from Cuba? We do maneuvers like Super Dave, always with a group of babes Sayin "Mami's out" like Sugar Ray Cause Cuban Link don't play miss, I flip and do some strange [shit] witchu like hit you with the whips and chains, check it I get you naked like I'm mystic, cause this [dick] is thick as a brick, raw with big [balls] that bend it Now let's get, physical, my jiggable pie Let this lyrical guy scuba dive right between your thighs I satisfy like a Snickers bar cause I'm the bigger bar that'll stick you quicker than a 'spic will strip a car My repoitoire holds a four star performance with all women Hittin more skins than Alec Baldwin You're fallin in love and you can't get up Now check the cut, I stripped ya, now you can't strut, word up

Bet ya man can't do it like that (like that?)
He can't work the middle, cause his thing too little
Bet ya man can't do it like that (like that?)
I make you scream papa (you the best dada!)

Yeah, uh, uh, yo
Paradin in the Palladium, all eyes on my presence
Poppin the Crist', sportin the chick straight out of Essence
Word up, patch thug, three quarter front Polo jiggy
Be like 'Who is he, lookin like a grizzly?'
While your girl watch me, you're busy drink pissy
Wanna lay your love, but your love wanna kiss me, huh
I got a fly team, me and my guys gleam like high beams
Makin the killin off of fiends with pipe dreams
It might seem, like I'm conceited with the cream talk
But I got the kind of green that could bribe a Supreme Court
And when we talk, the whole world listen
Turn your back to T.S. for one second and find your girl missin

Baby make me holla, take it off, I give you dolla
We can party til manana ain't nobody gotta know nada
Word to Allah, give me some Mississippi massana
I'll be in the sauna, troopin the naga like the chupacabra
Cool it mama, you gettin too hot, bust a shot
Boo-yaa! Rub it up and down like my oo-wops
Suscia!, show me your dirty dance
The way you work the pants make any man wanna jerk his gnads

Yo, my [shit's] official like it in you like, Keith Murray Bury my beef, gettin your sweet cherry every week if necessary I'm very nasty like Nas, did you ask me?
Pass me those [ass]cheeks and I'll bring you joy like BlackSTREET In the backseat of my Jeep, we can chill or Creep like TLC but don't sleep, I keep it real What the deal mami, you wanna feel on my steel salami?

Since ya man can't do it like Link (like Link?) He can't work the middle, cause his thing too little Bet ya man can't do it like Seis (like Seis?) I make you scream papa (you the best dada!) Bet ya man can't do it like Crack (like Crack?) He can't work the middle, cause his thing too little Bet ya man can't do it like Pun (like Pun?) I make you scream papa (you the best bana!) Bet ya man can't do it like Link (like Link?) He can't work the middle, cause his thing too little Bet ya man can't do it like Seis (like Seis?) I make you scream papa (you the best dada!) Bet ya man can't do it like Crack (like Crack?) He can't work the middle, cause his thing too little Bet ya man can't do it like Pun (like Pun?) I make you scream papa -- adios mama!
