

Gangbanging Interlude

Fat Joe

You're standing right now with nine delegates from 100 gangs
And there's over a hundred more
That's 20,000 hardcore members
40,000, counting affiliates
And 20,000 more, not organized, but ready to fight: 60,000 soldiers!
Now, there ain't but 20,000 police in the whole town. Can you dig it?
