

I'd like to make a toast
To Hip-hop music the first art form created by free black men
Yeah we got jazz, rock 'n' roll, the blues
All created by black men that were either slaves or enslaved like conditions
But Hiphop is the first art form created by Free black men
And nobody exerts that freedom like Fat Mother fuckin Joe

Us us us us us us us us
Us us us us us us us us

It's just us nigga
Fuck the feds fuck the cops and the judge
Nigga, who can you trust nigga
Just us nigga, Angel Reese, juju Watkins, that's us nigga
Us us yes that's us
Boy George guy Fisher yeah that's us too
If I got it, then we got it that's us too
We got trust issues. It's the ones with you.
You broke my heart now we don't fuck with you

Us us us us us us us us
Us us us us us us us us
Us us us us us us us us
Us us us us us us us us

Put both middle fingers up up if you don't give a fuck fuck
It's never them, forever crack forever rem
Only us us they think cause you know them you owe them these nigga sus sus
Talking big shit but when we come, it's hush-hush
We get money that's a must must
Ass so soft it's plush plush
You dead to me, ashes to ashes, you bitches dust dust
If I'm coming the gat coming and crack coming nigga that's my plus plus

Some of you are tired some of you are weary some of you are weak
Some of you are scared you wake up in the morning and you say
Lord, why has the world changed on me
The world done changed on me
Some of your close ones acting different
Even your kids switching up on you but trust in the Lord he has got your back

Right now I want you to look at your neighbor and grab his or her hands
And you look them in the eyes you say moving forward its ussssssss
You and me trust in the Lord
