Creepin' in the night and my pistol hold tight
Dark gang vision if you run up on sight

Playing with my numbers and the Nina 'boutta blow

Holding work, no clerk, hollows fuckin' kick though
If he really want it then he come and then he get it
Got two four-fours and they blastin' any minute
Whole pint of lean 'bout to drink it 'til I'm finished

Hollow tips gon' bring me somethin'
No tacking, no nothing, every pistol keep bustin'
Bucket in the function, no, never ever bluffin'
