

# Boofpack

Fat Nick

Ayo, Lil Mexico, pass the gas

Walk with the boof pack  
Choppa do the spraying  
I drank to much syrup can't remember what I'm saying  
Okay, Wock in the big shot  
Karo what I'm slanging  
You ain't getting bands tell me why the fuck you hating  
W-walk with the boof pack  
Choppa do the spraying  
I drank to much syrup can't remember what I'm saying  
Okay, Wock in the big shot  
Karo what I'm slanging  
You ain't getting bands tell me why the fuck you hating

Tell me who that, new tattoos  
Slangin' boof pack too  
Lame ass, no bag; dudes flip it, then check moves  
Shameless move gas through  
Come run up, get stabbed through  
That Kevlar this buckshot, rip off your big knot  
Gang banging tees up street famous  
Twelve years deep came from riding off the payment  
Okay, too shameless used to put us on the pavement just to say rest in peace  
Erase look what you created  
And now I'm too fat, ayy  
Watch your back, OD's in Vegas  
I ain't too famous  
But mama say that I'm jaded  
My whole crew share that  
Money trees, we getting paid and I hold 2 AKs  
Breaking jaws while getting brain, uh

Walk with the boof pack  
Choppa do the spraying  
I drank to much syrup can't remember what I'm saying  
Okay, Wock in the big shot  
Karo what I'm slanging  
You ain't getting bands tell me why the fuck you hating  
W-walk with the boof pack

Rolling off a pill now I'm tweaked (I'm tweaked)  
Melrose on your mans 5 deep  
F-f-f-fake thugging we don't roll that way (Nah)  
But my Rolex real flooded wavy everyday  
And I'm worth about 7 figures (True)
