

They said I couldn't, now I ran a mil' up with my thugs  
Oh, how I did that? Worked my magic, took a lot of drugs  
I'm on a beach out in SB, just took some shrooms for lunch  
Lil' thotiana, seen her bust it down and pick it up  
They said I couldn't, now I ran a mil' up with my thugs

Eighty-eight, God ain't pickin' up His phone  
These benders, they got me strung, ain't fightin', I got my gun  
I been up all night, I drink Techy and maybe Wocky  
I ain't never step foot outside without my Glocky  
I'm a real drought trapper, Glock switch popper  
Aim it at his head, few-few, and then we box him  
Ain't nobody in the function say they got me for me  
5.56s, .223s, and target signs all on me  
I wake up, pussy lint in my mouth  
I fucked that IG model right up on my couch  
She gon' say, "I love you" when my dick in her mouth

They said I couldn't, now I ran a mil' up with my thugs  
Oh, how I did that? Worked my magic, took a lot of drugs  
I'm on a beach out in SB, just took some shrooms for lunch

Eight-eight-eight  
Bitch, I'm servin' hurricane like back in '88  
She said that she's never heard of me but like what's on my face  
I like how they preferrin' me, I'm mister pay to play  
[?] baby, I got scammers from Haiti  
Got a baddie from the island rollin' bud like the Navy  
Had to cut a couple people getting nervous and shady  
But my chopper keep it kosher 'cause my plug is Israeli  
If Rollie tell time, then death is on the clock  
Wanna pour another line, but I just kicked the Wock'  
Left some shells up on the ground, I just lit up the block  
[?] make a sound, AB6 is on top

They said I couldn't, now I ran a mil' up with my thugs
