

Keep It On Me

Fat Nick

I keep it on me
I keep it on me
Big dick on the fie, I keep it on me
I keep it on me
I keep it on me
Ex bitch she so mad, but why you call me?

I keep it on me
I keep it on me
Big dick on the fie, I keep it on me
I keep it on me
I keep it on me
Ex bitch she so mad, but why you call me?

Bitch, I'm flexin' now
800 for these God damn sneakers
Money makin' out these speakers
Your main bitch a bottom feeder
Fed her molly, she a tweaker
Pussy wet, this thot a leaker
Foreign leather, they some squeakers
Took your bitch, and I ain't meet her
You made a thottie a wifey
Pourin' it back in the Sprite please
Takin' these percs got me dyin'
Pussy boy want it, the Blinkie goin' flyin'
Say you the hottest, stop lyin'
Opium makin' me cryin'
A thousand Margiela shoes, makin' me wylin'
Vicodin, xanax, shit just be pilin'
Porsche be skrt skrt skrtin' off
My plug just hit me, got it all
They walkin' Tech, I'm so throwed off
This thumpa hit him, hold you up
Can't take this dick, can't feel your gut
Lil mama think she number one
This syrup had me noddin' off
Buffet Boys, bih, we hot as fuck
Don't come around, can't hang with us
This bitch just drained up out my nuts
Just suck me up and keep it shut
Designer walk, Giuseppe strut
I'm off these drugs, but not enough
Say you ballin', not no bluff
I'm ladle buzzin', why get cuffed
My bank account be overstuffed

I keep it on me
I keep it on me
Big dick on the fie, I keep it on me
I keep it on me
I keep it on me
Ex bitch she so mad, but why you call me?

I keep it on me
I keep it on me
Big dick on the fie, I keep it on me

I keep it on me
I keep it on me
Ex bitch she so mad, but why you call me?
