

Pemex

Fat Nick

Ayo, Lil Mexico, pass the gas

I got real smoke, Xanax boats
Won't jump the porch without my pole
Serving out the Texaco
Smokin' Pemex, Lil Mexico
Got big juice overflow
Wokeisha that I'm 'bout to pour
Hollows hit 'em in his throat
Jungle Boys smoke incredible
I got real smoke, Xanax boats
Won't jump the porch without my pole
Serving out the Texaco
Smokin' Pemex, Lil Mexico
Got big juice overflow
Wokeisha that I'm 'bout to pour
Hollows hit 'em in his throat
Jungle Boys smoke incredible

Shoutout to Hades
I was out in Greece smokin' 80s
Peel the brown pack, all this OC-30 lately
Why they hate me?
I been feelin' like the black sheep
Got this Glock 17
Cold steel, hot heat, let it burn
Told that fuckboy go wait your turn
She gon' fall in love with it, way I make that pussy churn
When you gon' learn?
Talkin' all that shit gon' get you hurt
If I pull up with the stick that mean you get put in the dirt

I got real smoke, Xanax boats
Won't jump the porch without my pole
Serving out the Texaco
Smokin' Pemex, Lil Mexico
Got big juice overflow
Wokeisha that I'm 'bout to pour
Hollows hit 'em in his throat
