

Perfect

Fat Nick

Crashin' dirty Rari, poppin' percs at parties
Swervin' Kawasaki, 30 flip a body
Keep me feeling muddy, perkys in my tummy
I don't need no bitch, I leave my dick running
40 clip jerk out the 30
Smashing the gas, it gon' skrrtie
VVS bleeding, they on me
Shorty keep sucking all on me
AK verging, blast, swish a pint at last
Smoke a pound of gas, Panamera smash
Diamond keep dancing real clean
Ex bitch, she ain't over me

40 on me, I pop it
Ate a tec, I'm a drop it
Audi Coupe, yeah I swerve it
My diamonds they dancing so perfect

40 on me, I pop it
Ate a tec, I'm a drop it
Audi Coupe, yeah I swerve it
My diamonds they dancing so perfect

I don't relate to nobody
The violence, the sirens, they get you excited
Never let 'em see the other side
Of me and my mind, it get deeper with time
If you jump out the line, you get back in that hoe
Underground Underdog pull out a hundred racks
Just to flex at my old high school, run it back
Get in line bitch, everybody hate
Rappers wanna run around and talk on me daily
Saying no names, yeah they talking real vaguely
Lately my mood has been bitch you can't phase me

40 on me, I pop it
Ate a tec, I'm a drop it
Audi Coupe, yeah I swerve it
My diamonds they dancing so perfect

40 on me, I pop it
Ate a tec, I'm a drop it
Audi Coupe, yeah I swerve it
My diamonds they dancing so perfect
