Whip the foreign out a lot
Crack the seal, let it drop
Broke it down, now watch her pop
These Balmain's be feelin' off
New Rick Owens, watch me stomp
Don't [?], no, the [?] blow
Watch me out and steal your hoe though
No need to like me
Your bih wanna bite me
I'm ballin' out shows
My money stand [?]
All of these bitches
I swear that y'all triflin'
Eat through your clique, boy

Double cup filled got me sippin' on pints
Ego so big, yeah, I'm shinin' so brightly
Bih, you a crumb, you a peasant, you tiny
Got me pullin' up
Skrt skrt skrt my engine loudly
Poppin' downers lately
All this shit just get me drowsy
Plug be taxin' Audis
So I'm boolin' out, I ain't Brasi
Stuntin' up, head to toe
Rich as fuck, just loungin'

Pulled off in a Bimmer, pulled up with your hoe
Imma give her ass a solid tongue
Then watch what she doin', then turn her 'round some more
She suckin' dick, tryna get at Chris
Bitch I'mma give you a hit
I'm the shit, all of this money I spent
All of this money I get
I give her shit

Nigga my flow is intense
Better go get you a grip
Been on my shit
Since a nigga ate some [?]
Pay me in advance or it ain't a sell
They turn me to a nigga that they gonna grip
I don't need no messengers to dial it
Bitch, shut the fuck up, cut the check
