Fat Nick

If I'm on the block then you know
I'm dyin bout this shit
I won't step out side if my pistol ain't there right beside
I got opps I got hella opps but they not outside
Sendin shots send a hunnid shot

I won't step out side if my pistol ain't there right beside

Ayo Pass that yak I wanna act up now
Ima hit some shit when I spin around
If you my opp your dead man what I'm smokin loud
My young ones in the bushes they gon gun em down
If your homie died and you ain't spin don't beef with me

And Jesus might not trust me keep his piece on me
My pockets keep extendos and bank rolls
Treat my opp just like stripper catch a dirty pole

I won't step out side if my pistol ain't there right beside
I got opps I got hella opps but they not outside
