Designer step, on my neck, I got a baby now  
Xanax crushed, perc'd up, help me calm down  
Slowed up, poured up, I need more now  
223 by my Goyard, let it off, dawg  
All I dress designer on me, yeah your bitch she want me  
She gonna suck all on my dick and then pretend she love me  
Money long, sipping strong  
Wrist game crazy, I can never flex wrong

Mud walk, Beamer Beamer drop top  
Diamonds dancing, they don't stop  
Bitch I'm screaming fuck the cops  
What the fuck, what the? what the fuck, what the?  
What the fuck, what the fuck, what the fuck, what the?  
Mud walk, Beamer Beamer drop top  
Diamonds dancing, they don't stop  
Bitch I'm screaming fuck the cops
