Fat Trel

I got one bitch on my tri-fold, one bitch on my line
One bitch that like to smoke dope, she fuck me all the time
Them bitches say they love me but I know them bitches lying
And I eat that and I beat that and I leave that pussy crying
I got one bitch I'd lie for, one bitch that I'd die for
One bitch I'd drive home and I might pull out that 9 for
I got one bitch I'd lie for, one bitch that I'd die for
One bitch I'd drive home and I might pull out that 9 for

I got a couple of hoes in my iPhone like all my bitches psycho
Say her name was Lauren, that's my foreign bitch from Cabo
Ridin' high with my eyes low and my 9 tuck in that Tahoe
Bad bitch just ask me "You punch me in my eye for?"

In Harlem 155th, better not crack with my bloods bitch
One bitch that like to bang k and one bitch that got an Ak
One bitch that got a big safe and last time I check it was 80k
