

# IG Bitches

Fat Trel

Ain't nobody do what I go to do  
You know I love all you thots out there man thot king  
Hey I'm about to make a whole song about a freak bitch  
Can't stand me an under hand weak bitch  
I saw you on Instagram with a cheap bitch  
You tell that bitch to get her teeth and her titties fixed  
You know I haven't checked the likes on my cheek shit  
I got that light skin bitch she got more friends  
I got a thick stripper bitch makes the pole bend  
She dark skin and she reminds me of my old benz  
You probably never ever seen me with a slow bitch  
You probably seen old bitch make the door flux  
So when I dove into that pussy broke her whole hip  
This hospital bill back bitch hold up  
I'm just an ugly mother fucker like to fuck alot  
Already got a lot of gwack that will never stop

My main bitch like to shop like a door top  
We on the floor I tell them go I tell them don't stop  
She like to hang with the slutty boy gangbag  
We let the hoes call the boys by their hold name  
My white bitch like dick like cocaine  
That pussy hot its a mother fucking propaine  
Yo just uderstand I'm just a young fat rich nigger  
Your woman crush got snaped by a rap nigger  
I'm a dirty mother fucker not a trap nigger  
Who put the molly in the zaz and the act with it  
And when I called your girl she came back with it  
A matter of fact she was looking like fat with it  
I told her to bust it open let mac fat hit it  
I'm a get low I'm a put my back in it  
She be on Instagram with her boyfriend  
Kissing on my dick like ain't got a man  
I got a big white bitch with a Dodge Ram  
We go ahead and we fuck her in the caravan  
It could have been a cadillac or an avalanche  
I beat the pussy so bad call the ambulance  
Her ex-man he a lame he never had a chance  
She say he roll on a truck full of trash bag  
But anyway fuck that where the bitches at  
Well on me where my niggers proably be at  
I probably fall into Miami just to fall back  
And I'm a call PT let me call back  
And I told Taneisha I loves her and that's when the draws flew  
You might be surprised what the mother fucking club do  
I only wanted on bitch then I see you  
I told her bae I love you city and your titties too  
Its for me shit what you trying to do  
My lady situation is critical  
You got to keep it on the low fucking on the flow  
And don't nobody gotta ever ever know

You heard you already know  
Just me bring that ass here  
For real stripper hoe  
You need this shmoney shpoppa  
I'm trying to fuck Cardi B too
