

# Savage

Fat Trel

Once again I fell in love I kill the dog  
Am savage my habits just running  
Around with some bad bitch  
I went pass it went for nigga who never have bitch  
And am mad with her but the other nigga so sorry  
Once again I fell in love I kill the dog  
Am savage my habits just running  
Around with some bad bitch  
I went pass it went for nigga who never have bitch  
And am mad with her but the other nigga so sorry  
Watch I fuck up the mall way  
Ain't no tellin I doging hope y'all get it  
The song with it no small fish  
I was riding low I was smoking dope  
I was fucking hoes I was being good  
No comoncency no money rush  
I was making cakes back in 08  
I was real straight I was face to face  
When they introduce to that murder gang  
I was fist to fist I was cup to cup I was line them up  
Some black nigga with some white bag designer doll

Once again I fell in love and I kill the dog  
Am savage my habits just running  
Around with some bad bitch  
I went pass it went for nigga who never have bitch  
And am mad with her but the other nigga so sorry  
Once again I fell in love I kill the dog  
Am savage my habits just running  
Around with some bad bitch  
I went pass it went for nigga who never have bitch  
And am mad with her but the other nigga so sorry

Watch I go fuck up the club with her  
Fuck romance no love with her  
Just thugs with us no crps with us  
No bloods with us I was riding hot with mah forty five  
While I molly role hit the pool party I was poppin bottles  
All kind a hoes I was hit list back in 06  
With the standard clips I was face to face when they kill  
Whoop with that bulshit I was fist to fist  
I was cuff to cuff I would line them up  
With the slutty boy from DC fucking all the sluts

Once again I fell in love I kill the thug  
Am savage my habits just running  
Around with some bad bitch  
I went pass it went for nigga who never have bitch  
And am mad with her but the other nigga so sorry  
Once again I fell in love I kill the thug

And am mad with her but the other nigga so sorry

Watch I go fuck up the club with her  
Fuck romance no love with her

Just thugs with us no crps with us  
No bloods with us I was fucking hoes  
I was eating good no commentary no money roll  
I was making cake back in 08 I was real straight  
I was face to face when they kill  
Whoop with that [?]  
Some black nigga with some white bag designer doll
