

Holy Shit

Father John Misty

Ancient holy wars
Dead religions, holocausts
New regimes, old ideas
That's now myth, that's now real

Original sin, genetic fate
Revolutions, spinning plates
It's important to stay informed
The commentary to comment on

Oh, and no one ever really knows you, and life is brief
So I've heard, but what's that gotta do with this black hole in
me?

Age-old gender roles
Infotainment, capital
Golden bows and mercury
Bohemian nightmare, dust bowl chic

This documentary's lost on me
Satirical news, free energy
Mobile lifestyle, loveless sex
Independence, happiness

Oh, and no one ever knows the real you, and life is brief
So I've heard, but what's that gotta do with this atom bomb in
me?

Coliseum families
The golden era of TV
Eunuch sluts, consumer slaves
A rose by any other name

Carbon footprint, incest streams
Fuck the mother in the green
Planet cancer, sweet revenge
Isolation, online friends

Oh, and love is just an institution based on human frailty
What's your paradise gotta do with Adam and Eve?

Maybe love is just an economy based on resource scarcity
But what I fail to see is what that's gotta do with you and me
