

# I Believe (When I Fall In Love It Will Be Forever)

Father John Misty

Shattered dreams  
Worthless years  
Here am I encased inside a hollow shell  
Life began  
Then was done  
Now I stare into a cold and empty well

The many sounds that meet our ears  
The sights our eyes behold  
Will open up our merging hearts  
And feed our empty souls

I believe when I fall in love with you  
It will be forever  
I believe when I fall in love this time  
It will be forever

Without despair  
We will share  
And the joys of caring will not be replaced  
What has been  
Must never end  
And with the strength we have will not be erased

When the truths of love are planted firm  
They won't be hard to find  
And the words of love I speak to you  
Will echo in your mind

I believe when I fall in love with you  
It will be forever  
I believe when I fall in love this time  
It will be forever

I believe when I fall in love with you  
It will be forever  
I believe when I fall in love this time  
It will be forever

I believe when I fall in love with you  
It will be forever  
I believe when I fall in love this time  
It will be forever
