

## Smiling / Astride Me

Father John Misty

There's no need to fear me  
Darling, I love you as you are when you're alone

I'd never try to change you  
As if I could, and if I were to, what's the part that I'd miss  
most?

When you're smiling and astride me I can hardly believe I found  
you  
And I'm terrified by that
