

## When You're Smiling and Astride Me

Father John Misty

There's no need to fear me  
Darling, I love you as you are when you're alone  
I'll never try to change you  
As if I could, and if I were to, what's the part that I'd miss most?  
When you're smiling and astride me  
I can hardly believe I've found you and I'm terrified by that

I've got nothing to hide from you  
Kissing my brother in my dreams or finding God knows in my jeans  
You see me as I am, it's true  
Aimless, fake drifter, and the horny man child mama's boy to boot  
That's how you live free  
Truly see and be seen
