Got them yams, got that ass

Only love me for that pack

Nigga slizzy off that yack  
Got that boosie fade, my feet up  
(Got my feet up!)

They hoped I died, overdosed on that liter  
One less lonely nigga, like I'm Bieber  
But I ain't Bieber bitch  
Ain't have to get my clout from beatin' a bitch  
These niggas bitch made  
Got they clout from eatin' a dick  
Got niggas mad like hold me back
