

Bounty

Father

I come through in a pinch four pockets thick, niggas call me Mr
. Make It Happen
Girl come through in a trench coat jacket, slip it off bitch na
ked clappin'
Niggas call me Mr. Silicon Valley, F&N got techs and gadgets
Run up on me in Fulton County, nigga, I got home advantage
Run up on me in Cobb County, nigga, I still got the hatchet
I got warrants that's outstanding so I'm gon' keep the ratchet
You can come for my motherfuckin' bounty, gon' end up in a cask
et
Or you can join my fuckin' team and get them packs up off the f
latbed

Yeah, yeah
Ho get up up off the mattress
Comfort me I'm full of malice
Feelin' a lil' trigger happy
Know these niggas wanna clap me
I wake up and I eat rap beef
I'll put two shots in ya backseat, yeah
Niggas wanna run my fade, I'd pay to see that
Fuck my baby, I'd pay to see that
Rattle my cage, I'd pay to see that
Play in my face, I'd pay to see that
Bread on my head, I'd pay to see that
Run to the feds, I'd pay to see that
Me wind up dead, they'd pay to see that

I come through in a pinch four pockets thick, niggas call me Mr
. Make It Happen
Girl come through in a trench coat jacket, slip it off bitch na
ked clappin'
Niggas call me Mr. Silicon Valley, F&N got techs and gadgets
